Welcome to Eastham

In his book, "The Outermost House", Henry Beston described his feelings about our town when he wrote: "Outermost cliff and solitary dune, the plane of the ocean and the far bright rims of the world; meadow land, and marsh, and ancient moor; this is Eastham; this is the Outer Cape". So you too can stand on the "solitary dune", and gaze across to "the far bright rims of the world". Those of us who call Eastham our home, welcome you, our visitors, and hope that you too can enjoy Eastham as we do and as Henry Beston did.

For your information about Eastham. It was settled by a handful of people from Plymouth in 1644 and incorporated in 1651. At this time Eastham included the areas now covered by the present towns of Orleans, Brewster, Harwich, parts of Chatham and Wellfleet. From the solitary dunes on the ocean side to the flat bayside . . . a distance of three miles across . . . it covers an area of a little more than 14 miles. It has a population of 3,466 by the 1980 U.S. census count, and like all towns on the Cape it has a town meeting form of government, with elected Selectmen (three) at the helm. The Fiscal 1981 tax rate was set at \$14.20 per thousand; a grand list of \$177,292,520 total assessment, which produced in revenue to the town, a total of \$2,818,951.00.

Beach Plum Cordial

1 quart ripe beach plums
2½ cups of sugar
1 qt. of 100 proof vodka

Put all in gallon jug. Shake well every morning and night for two weeks. Put away for two months and then strain and bottle.

Sent in by Bart Mancini

Beach Plum Brandy (By Sheila)

2 cups whole beach plums
2 cups sugar
4-fifths quart brandy

Sterilize a large jar with a tight fitting cover. Place the beach plums in the jar, add the sugar and let the combination stand overnight.

Add the brandy. (The beach plums will mellow the rough taste of an inexpensive brandy, but you can use fine cognac for a superb result.) Cover the jar tightly. Let the mixture stand for at least two weeks at room temperature. Open the jar and stir the contents daily. Strain the brandy through cheesecloth, wringing the fruit in the cloth to obtain the maximum amount of brandy.

Filter the brandy about two cups at a time, through coffee filter paper supported in a cone or funnel and placed over a clean jar. If the paper becomes clogged, transfer the contents to a clean filter paper. The filtering process may take as long as eight hours; if the brandy is not perfectly clear, filter it again.

Store in a tightly covered bottle. Makes about one quart.

SALT POND 1982

The science of increasing the productivity of the waters is called aquaculture. Today's efforts are based on only limited experience. Primitive methods are used, and slow but steady progress is made toward meeting increasing demands for fish and shellfish resources. Aquaculture methods have a role in both private enterprise and municipal management of fisheries. Eastham's management plan is no exception to this, and we have been able to explore some of the earliest methods for cultivating shellfish in the waters of Salt Pond and Nauset Marsh. The results of this work are daily programs of transplanting natural seed stock, predator control, and reclamation of barren flats. Perhaps you have found a quahog with a mosaic zig-zag pattern etched on the outside of the shell. This animal was probably hatchery raised and cultured in Salt Pond before being released.

If you are fortunate enough to be at Salt Pond in November, you may have harvested hatchery raised and reared oysters. Mussels, soft clams and scallops are other species that are nurtured and helped to grow in optimum conditions through the year.

The rules and regulations for harvesting shellfish together with minimum size measuring rings and permits to dig for shellfish are available at Town Hall. The times for digging at Salt Pond are listed below.

If you have questions about shellfish, a Natural Resources Officer will be happy to assist you.

Non-commercial shellfishing on Sundays only. Sundays not listed here. The Salt Pond is open for non-commercial shellfishing all day.

Areas in Salt Pond open only as posted at Town Landing. All other areas in Eastham open at all times between sunrise and sunset, unless otherwise posted. All sedge grass areas closed to all shellfishing.

Times listed here are Daylight Savings Time.

Limit: One LEVEL 10-quart pail per family per week.

THE EASTHAM HISTORICAL SOCIETY

Eastham is one of the oldest towns in the Commonwealth, and among its earliest families were three 'Old Comers' or passengers on the first voyage of the Mayflower. One of its founding families, the Doanes, probably gave the town its present name, since they were from Eastham on the Mersey in Cheshire, England. There are still Doanes living there today.

With its long and varied history, it was only natural and probably inevitable, that the town would find citizens interested in preserving that history and its artifacts. The Eastham Historical Society, since its inception, has managed to acquire many important and interesting collections of memorabilia through the generosity of its citizens and members. These collections are housed in two structures that are historically important in themselves - The Swift-Daley House (c.1741) and the Old Schoolhouse (c.1869). Both buildings are open to the public during the summer months. Entrance fees are reasonable and designed for the family. Members are admitted free, and annual dues are \$2.00. The only requirement for membership is an interest in the aims of the Society.

The Swift-Daley House is located on Route 6 next to the Post Office. Its bowed roof is typical of early houses built by ship's carpenters. The wide board floors, panelling, deep kitchen fireplace, Victorian parlor fireplaces, narrow stairways and other features date to an earlier time. The house is completely furnished, and has a number of interesting collections including clothing, china, local Indian artifacts, quilts, and household equipment. It is open during July and August on Wednesdays and Fridays from 1:00 to 4:00PM or by appointment (call 255-3380).

The Schoolhouse Museum, directly across from the National Seashore Visitors' Center, is the only remaining one of three schoolhouses, all built in 1869, that served the town until 1936. The building had been abandoned and in disrepair until rescued by the Historical Society and restored through the efforts of local citizens and summer visitors. The Museum contains artifacts from various parts of the town's history; including farming, shipwrecks, the Life Saving Service, the school, and daily life in the town. Archives and oral history material are also stored here, along with Geneological pamphlets sold by the Society. Museum hours are 1:00 to 4:00PM, Monday through Friday during the summer season (July and August). The Society sponsors some summer programs, and information about them can be obtained through local newspapers and bulletin boards at the Town Hall and the Library.

WINDMILL WEEKEND

..... Each fall, the citizens of Eastham in the spirit of the family, and friendship, celebrate Windmill Weekend.

..... Our 300 year old windmill is the setting for townspeople and visitors to reminisce to the days when community spirit and neighborliness were necessary traits for a community to survive and to thrive. Today these characteristics are still required and we welcome anyone visiting with us at that time to join in our town celebration.

..... The focus is family fun, and the varied events are organized to appeal to the entire family. Last year's events included a 2.8 and 5.6 mile road race, children's games, kite flying, family volleyball, a demonstration of The Jaws of Life and a square dance on the windmill green, on Saturday. Sunday began with children's games, a large parade, a band concert by the Community of Jesus, superstar competition, and a cook-out with entertainment by Fred Trahan's Roaring Twenties band, The Festival Singers, and a professional jazz band.

..... The entire week-end was dedicated to Arthur and Marsha Nickerson for their many contributions to Eastham. Arthur and Marsha also received letters of commendation from the Governor and the Legislature.

..... Be sure to visit our historic windmill, see how the early settlers processed grains, and corn and other staples, and learn some history from our town millers, Jim Ownes and Clyde Eagles.

EASTHAM WEATHER (as compiled by Cape Cod Chamber of Comm.)

We in Eastham are fortunate regarding our weather. Situated between the Atlantic Ocean and Cape Cod Bay, the stabilizing effect of both bodies of water tend to keep Eastham cooler in the summer and warmer in the winter than the mainland, or for that matter most of the Upper Cape.

CLAM CHOWDER (By Carole)

3 tbs. butter
3 cups scalded milk
1 slice fat salt pork
Salt & pepper to taste

Pour 2 cups cold water over the clams to cleanse, and strain the water through a very fine sieve or cloth. Chop hard portion of clams. Cut pork into bits and try out. Add chopped onion and cook until yellow. Add water and strained clam juice and when boiling add potatoes. Cook 10 minutes, then add chopped clams and cook until the potatoes are tender. Then add soft part of clams and cook about 5 minutes more. When ready to serve, add the butter, salt and pepper and milk.

Put enough sea water in a kettle to measure 3 inches; then bring to a furious boil and plunge lobster in, head down. Boil for 15 to 20 minutes or half an hour, according to the size lobster. The larger the lobster, the longer the cooking.

Clean and scale fish. Sprinkle lightly with salt. Stuff with dressing and tie securely. Dot with butter and cover with thin slices of salt pork. Bake 10 to 15 minutes in hot oven, reduce heat and bake 30 to 40 minutes longer, depending on size of fish. Baste frequently, adding a little water if needed.

1 tbs. chopped onion
1 tbs. chopped celery
browned lightly in butter

Add to 2 cups bread crumbs

Moisten with little milk, season with salt and pepper. Herbs may be added.

4 cups boiling water
4 cups milk
Salt and pepper to taste
Common crackers or pilot crackers

Defrost fillets, if frozen. Cut in 2-inch pieces. Dice salt pork; fry slowly in heavy kettle or Dutch oven until golden brown and crisp. Remove pork; save. Cook onions in pork fat in kettle until soft but not brown. Add potatoes and boiling water. Cook until potatoes are almost tender. Add fish; cook about 15 minutes longer, or until fish flakes easily with a fork. (At this point chowder may be refrigerated overnight if desired – flavor is enhanced by the next day). Add milk; season to taste with salt and pepper; heat to serving temperature but do not allow to boil. Garnish with cooked, diced salt pork. Float split common crackers on each serving or crumble pilot crackers on top. Makes 8 servings.

CHURCH SERVICES

(More than three hundred years—in 1672 to be exact—Samuel Treat became the town's first minister, and thundered his message of hell-fire and damnation. As a historian of the times declared: "his voice was so loud when speaking it could be heard at a great distance from the meeting house, even in the midst of the winds that blew over the plains of Nauset".)

Perhaps not in the thunderous tones of Mr. Treat, yet the church leaders of the present preach their religious philosophies with the same zeal. The following churches are within easy travelling distances:

EASTHAM

Grace Chapel Assembly of God—services held at the Eastham Town Hall. Sunday: 9:45—Sunday School; 11:00—Morning Worship; 7:30—Evangelistic Service. Pastor, Rev. Ralph D. Bellows. Parsonage phone: 349-3428.

ORLEANS

Nauset Baptist—a Bible centered church now meeting in the Orleans Town Office Bldg. Sunday school at 9:45 a.m. Classes for all ages. Worship at 11 a.m. and 7 p.m. Wednesday bible study at 7:30 p.m.—Rev. Mahlon K. Ameigh.

Roman Catholic—at Bridge Road. Winter schedule; Saturday Vigil 5:30 p.m. Sundays 8-10-11 a.m.; Daily mass at 8 a.m.: Novena on Wed. Summer schedule: (all masses in Hall). Saturday Vigil 5 and 7 p.m.: Sundays 8-9-10-11 a.m.

Orleans-Eastham Elks are Building

Orleans-Eastham Lodge #2572, Benevolent and Protective Order of Elks, has selected an Eastham site for their lodge home and site preparation and improvement are underway.

The site, a six-acre wooded tract at McKoy Road and Route 6 (diagonally opposite Sheraton Ocean Park Inn), is at the geographical center of the lodge's district, which covers the eight towns on the lower or outer Cape: Chatham, Harwich, Brewster, Orleans, Eastham, Wellfleet, Truro and Provincetown.

The Elks, dedicated to charity, community service, youth activities, patriotism and fraternity, plan a ground-breaking and construction of a lodge home during 1981. The home, when completed, is certain to be a landmark in the town and an attraction for the thousands of Elks among Cape Cod vacationers, as well as a social center for area residents.

Orleans-Eastham Lodge was established in March 1978 and approached its third anniversary with more than 250 members. Nationwide, there are more than 1.6 million Elks in over 2,200 lodges in all 50 states.

The photo shows the distinctive sign the Elks have erected on Route 6 to mark their building site.

Those Great "Do-Nothing-Days"

Under the watchful eyes of the lifeguards (in white helmets) swimmers challenge the surf at Coast Guard Beach, one of the favorite swimming areas in the National Seashore.

Eastham Visitor's Activity Index

AREA ORIENTATION: Soon after you arrive, check in at the Eastham Town Hall on Rt. Six in the center of town. Here information is available about fishing licenses, beach parking permits, fire permits for beach cookouts, boat mooring permits at the Eastham Marina at Rock Harbor. Get acquainted with town officials, including the police and fire departments. Leave your name and address so that you can be reached in an emergency.

On Rt. Six, going towards Orleans is the town operated Information Booth, staffed with qualified personnel who can help with information about available cottage space, where to eat, location of gift shops, etc.

The Visitor Center of the National Seashore Park is a must and is located just off Rt. Six a few hundred yards north of the Town Hall.

SWIMMING, SURFING AND SUN BATHING (for those great "do-nothing" days)

Eastham is rich in sources for such activities . . . the ocean, the bay and the fresh water ponds. Those who prefer surfing and the robust challenge of the sea with its colder water, can enjoy the Coast Guard and the Nauset Light beaches, both within the jurisdiction of the National Seashore with its life guards and bath-houses. Each beach has a "surfing" section reserved. For warmer water and family type beach activities, the five bay beaches offer safe bathing and where you can walk out several hundred feet without getting your head wet. First Encounter and Cook's Brook beaches have restroom facilities. Parking stickers can be obtained at the Town Hall. Fresh water bathing can be enjoyed at several town ponds, featured by Wiley Park on Great Pond, off Herring Brook Road (see map) where a bathhouse and Picnic Area are located. Swimming and Life Saving classes under competent instructors are also held here. (Check story on Rec. Activities) Herring Pond, off the road by the same name, is also a popular spot.

FISHING AND OTHER SPORTS FACILITIES:

Tennis courts are available on a first come first served basis at the Eastham Elementary school

Photo by Noel Beye

grounds on Schoolhouse Road, and at the Nauset Regional High School grounds off Cable Road, North Eastham, and at the town courts in Orleans, near Eldridge Park. A teen age recreational program under trained leadership is held daily at the Nauset High grounds. (Check schedule of Recreational Activities program.)

The area abounds in golf courses, both public and private. Check the Yellow Pages for details. Some of the nearby courses . . . with a few miles radius are: Brewster, Bass River, Dennis Pines, Harwich Municipal, Blue Rock in South Yarmouth, Harwich Port Country Club, Highland Golf Course in Truro, Eastward Ho in Chatham.

Surf casting and fresh water fishing abounds in the area, and charter fishing boats leave daily from Rock Harbor, Provincetown and Wellfleet . . . all within a few minutes ride from Eastham. On Sundays, those with licenses can dig for quahogs (see Sunday schedules on page 6) and the Nauset Marsh, Town Cove or the Bay Side can be explored for shellfish at low tide.

The **Nauset Rod and Gun Club** of North Eastham has facilities for those interested in rifle, or skeet shooting.

Eastham hosts an active **Little League Baseball** program centered around the attractive field behind the Town Hall. Cape Cod's famous NCAA sponsored Baseball League featuring outstanding college players is represented locally by the Orleans Cardinals, and large crowds watch exciting baseball games, evenings, at Eldridge Park, in Orleans.

Ice skating enthusiasts will find excellent facilities at the Rees Rink off Eldredge Parkway in Orleans, or at the Cape Cod Coliseum off Route Six in So. Yarmouth.

Summer theatre is here all summer . . . try the Dennis Playhouse, the Monomoy Theatre in Chatham, The Arena Theatre in Orleans, and the Cape Cod Melody Tent in Hyannis to mention a few. Wellfleet, just North of us, has a well operated Drive-In theatre.

The **Audubon Society**, off Route Six, in Wellfleet, offers bird tours and nature hikes and Dune Buggy rides.

EASTHAM PUBLIC LIBRARY

Our Public Library has one of the loveliest locations in town. It is located on Samoset Road just west of the Windmill and overlooking Long Pond. There is a convenient off-street parking area behind the library.

The original building was built in 1897 by the Village Improvement Society (which explains the inscription over the library door) and was given to the town in 1903. During 1976 the Trustees published a short history of the library, written and researched by Helen Schwind. Copies of this history are still available at the library.

Librarian Jane Eldridge and her staff are available to assist you in book selection, reference help, etc. We are fortunate to have a full time children's librarian, Marry Ann Nutting, in the summer. In addition to helping parents and children choose books, she conducts programs for a variety of ages and interests. This year, for the first time we have records and cassett/book kits in circulation. These new additions to the children's section have been very popular.

The Trustees and the librarian invite everyone to visit the Eastham Library. We are proud of our collection of books: current and older fiction and non-fiction, books about Cape Cod and by Cape authors, an outstanding geneological research section, and a rapidly growing children's collection. In addition to books, there is the unique bicentennial quilt made by ladies of Eastham, depicting traditional scenes of Eastham life.

The library! A great place to visit and use.

DIARY OF A PROFESSIONAL SHOPPER

Tree's Tilery shows probably the largest selection of designer tiles in the USA. From Mexico, England, Holland, Italy, Israel, Japan, Portugal, America. One tile for a trivet, dozens and hundreds for a hearth, a table, a wall panel behind your kitchen range or wood stove. Four kinds of Mexican Terra Cotta in hundreds of patterns. We ship everywhere in the USA and refund in full for tiles purchased as samples, probably the only tile showroom in the USA to do so.

On the road

Newcomers sometimes cry when they visit us — they've shopped to the wall elsewhere, and here the Beautiful Things begin! M.A. Hadley and Quimper ware, a collector's showing of Russian lacquer boxes, a gallery of art and sculpture, Scottish neckware tartans, a museum shop of jewelry — all shoulder to shoulder with Tree's mind opening ceramic tile display. And whether a bronze cheese prong (\$2.50) or an heirloom quality Swiss music box (up to \$2400) nothing is "resort priced", no gift shoppe stuff. Please, no tears — just visit Tree's first.

Eastham Non-Resident Taxpayers Association

Common Bond - We are a group of people who found the town of Eastham to be an excellent environment for our summer vacations. Now almost all of us have part-time homes here. We come with our families and friends to relax and enjoy the beauty of the surf, the ponds, the beaches and the sun. Many of us dream of a time when we can stay right on after the summer ends and never go back to that busy mainland. This would permit even more enjoyment of the many available town and church sponsored activities. We are rightfully interested in conservation, preservation, and proper utilization of the area along with Town Planning, the efficiency of the Police and Fire Departments, the condition of the beaches, the water supply and the many facets of town government that affect us directly.

Purpose - Our primary objective is to work toward the betterment of the Town of Eastham. Our organization also serves in many instances as a liaison between town officials and non-resident taxpayers. We send out newsletters and hold two meetings during the summer to discuss our views with representatives of the Selectmen, Town Counsel or Finance Committee, National Seashore or a State Legislator. They are not obligated to come to our meetings, but they do so. They listen, explain, and answer questions. All members have an opportunity to participate.

Activities - Through questionnaires we poll the opinions of members. The Executive Board coordinates the requests for remedial action when required. We are making a sustained effort to allow non-resident taxpayers to vote in Eastham town affairs other than elected officials through submission of bills in the Massachusetts Legislature. If you are a property owner who pays taxes in Eastham, but is not allowed the right to vote here on town budget items, you will undoubtedly be interested in joining our association that now includes approximately half of all the non-resident property owners from 25 states, including Hawaii and Alaska, plus Quebec and Montreal.

Uniting for Strength - If you are not a member, why not join us? The more members we have, the greater our influence. We hope to enlist the entire group of more than 2,000 non-resident taxpayers in Eastham who together contribute some 70% of the town's tax revenue.

Address: If you are interested, write to Box 772, Eastham, MA. 02642.

Dues: \$3.00

Officers: President - James T. MacKenzie; Vice-President - Robert A. Denver; Secretary - Mrs. Eleanor Watson; Treasurer - O. Mason (Sam) Burrows; Resident Coordinator - Mrs. Catherine McClosky.
